

Old Gray Barn CX

Technical Guide

- Registration:** Online registration via USA Cycling website until Saturday, September 28, 2019 at 2:00PM EDT. Day-of registration until 15 minutes before race start for an additional \$10 charge. Cash and credit cards will be accepted.
- Directions:** All mapping services work for "1565 Old Ringgold Road, Rocky Face, GA". Entrance signs will be posted along road.
- Parking:** Follow signs on gravel road to lower field (see map below). Do not go past orange cones and onto the course. Vehicles with low clearance and/or standard tires should not have a problem.
- Property:** We are privileged to have the use of private property for this event. Please be respectful of the owners and their neighbors. Stay in the course area and avoid the "Off Limits" areas designated in the map below.
- Packet Pick-Up:** From the parking area, follow the signs to Registration/Reg. which will be located inside the building next to the barn. If you ride then please wear a helmet. Use the "walkway" shown in the map below and only cross the course in the designated areas. Signs will be posted and the walkway will be mowed. Please avoid the gravel road section of the course unless pre-riding at designated times.
- Race numbers:** Race numbers will be given at packet pick-up. Numbers will go on the right side of your jersey.
- Pit:** Follow the Pit signs to access the pit area. The pit is double-sided.
- Bathrooms:** Three port-a-johns will be located in the parking area as shown in the map below.
- Pre-ride:** Consult with the officials at the Finish line to determine when the course is open for pre-ride. Do not pass riders currently racing while pre-riding.
- Warm-up:** Old Ringgold Road and the other roads near the course are relatively flat and rolling and a good place for warming up. Traffic is light; however, people do travel on these roads at high speed. Please be careful. Using a trainer is recommended.
- Course:** The course will run clockwise. Start area will be signed and a starting grid will be used to stage racers. Due to the width of the gravel road used for the start, racers will be staged five racers per row.
- Callups:** The top 5 finishers in the 2018 Georgia Cyclocross Series will receive callups at the start for that specific category only.
- Flyover:** The stairs on the flyover have been modified to make them less steep. The ramp has roofing material for better traction.
- Juniors:** Volunteers will be stationed at the flyover and in the wooded section (steep downhill) to help younger racers who may have trouble with these sections. Volunteers will be instructed to help only when necessary, but not give any advantage to the racers, to encourage them to complete the course unaided.
- Bike Wash Station:** A hose will be available on the side of the building used for registration.
- Cooling Station:** Due to the heat, we will be doing our best to provide a cooling station with water, ice, fans, shade, etc.
- Awards/Podiums:** We pride ourselves in getting podiums done as soon as possible after the official race results have been posted. Podiums will be done by the side of the barn. If you are a podium finisher, please report back to the barn area as soon as possible after your race. Medals and/or swag will be given for non-money categories.
- Food/Drinks/Party Pit:** There will be free beer (for adults only) and water to drink. There will also be hot dogs and veggie dogs, along with chips available to racers and spectators alike. Handup Gloves will be running the Party Pit, providing hand-ups to racers and a good time for everyone else.
